## PROFILE

I'm a recent graduate with a degree in Computer Science. While I may be new to the industry, I'm passionate about front-end development and have been working on personal projects to build my skills.

I'm a resourceful, hardworking and dedicated individual with excellent analytical skills seeking an entry level position. Bringing forth a motivated attitude and a variety of skills. Committed to utilizing my skills to further the mission of a company. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

## EDUCATION
